

# Art with Nature

It's time to get creative while having fun when you're out and about or even in your own garden. Join in this trend of using anything in the outdoors and natural to make an amazing piece of art for your and others' enjoyment, using materials such as stones, leaves, and pine cones. When you're ready share your amazing art with us on social media.

Below are some ideas of what you can create whether it is spring, summer, autumn, and even in winter.

**TIP:** Use the natural objects to make mandalas or shapes you find in nature if you're struggling to come up with ideas.
